ISIS LOTUS HEALING LEVEL ONE COURSE
Releasing the Secret Healing Power of the Great Pyramid of Egypt to YOU!
SYDNEY OCTOBER 9 & 10, 2010

DISCOVER FOR YOURSELF THE POWER of these Secret Egyptian Healing Codes and why so many healers, nurses, doctors, lawyers and parents around the world are seeking to study this beautiful and remarkably effective system of Alchemical Ancient Egyptian Healing. This is the first course taught in Isis Mystery School, which is like a University for your Soul and is also a spiritual school for a new generation of highly skilled and trained professional healers and psychics.

Isis Lotus Healing is a system of Spiritual Energy Healing based on Ancient Egyptian Healing methods and Alchemy. It includes working with energies from the planet Sirius plus the Egyptian Divinities, especially Goddess Isis. Isis is the Ancient Egyptian Mother Goddess of Magic, Healing and Spiritual Science and attunement/initiation of the student to her powerful blue healing energies are the basis for this highly effective healing modality which is taught over two full days.

ELISABETH JENSEN, the founder of Isis Mystery School and the Angel Miracles Courses, has incorporated much of her past research and practice of Energy Medicine and Healing into these courses to ensure it's a safe healing system for all. Elisabeth comes from a background as an Australian Registered Nurse and has studied and taught a number of researched based energy healing modalities and is in great demand worldwide for her healing abilities. Research in progress has documented profound and seemingly miraculous healings experienced by her clients plus course participants. Elisabeth is also a psychic medium and channelled much lost information and was voted 2010 Australian Psychic of the Year and 2007 Psychic of Year (SA) by the Australian Psychics Association.

ISIS LOTUS HEALING IS WONDERFUL FOR SELF HEALING plus for family and friends or as a "Hands On" system of healing for clients. The Isis Divine Blue energy is sent from the hands and heart with love and a great healing effect.

The Divine Feminine Indigo Blue Energy of Isis used for this healing system derived from a powerful mystical healing experience Elisabeth had while meditating in the Queens Chamber of The Great Pyramid of Egypt in 2003. The healing energies and teachings have increased each year during her Isis Sacred Journeys to give Initiations and channelling in the temples and pyramids of Egypt.
